Hi!

Yes, I did review the document. That sounds good. See you Monday.

Thanks!

Hi Xochitl,

I am not sure if you had a chance to look at the Strike Preparedness document, but I rearranged assigned roles due to Matt's departure. I think it makes sense for you to be the lead on operations for the Strike. I will support you with in this role, of course. I have asked CCSA to invite you to several member calls scheduled for this week with strike updates.

I would like to meet during our regularly scheduled time on Monday to review some recent materials provided by CCSA and CSD. I would like to work with you to prepare an operations update to be delivered during weekly ops meetings this week. Sound good?

I hope the Open Houses go well this weekend!

Best wishes,  
Brooke
